

FMC

The
FMC Motor Coach
for 1975

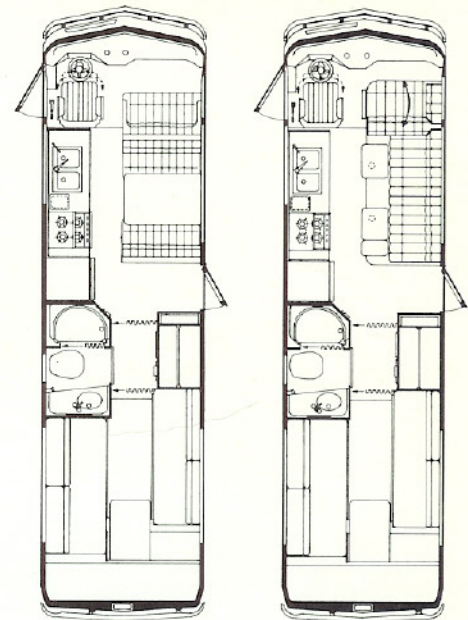

The incomparable 1975 FMC. A motor coach so advanced in design and engineering, it's setting new standards in roadability, luxurious living, and safety.

The low, sleek profile results from a custom-designed chassis. Special features of the FMC include a special door for the driver, powerful rear engine, and four-wheel independent suspension.

From the moment you step aboard, you'll see why experienced motor home owners choose the FMC as their ultimate coach. Interior designs delight the eye, yet are sensibly convenient for luxurious living and touring. As you test drive the FMC, you'll see the difference that engineering makes in handling and roadability.

The 1975 FMC features innovative exterior styling, improved front suspension, and a whole array of new conveniences to enhance your on and off road living. It's a perfect blend of all the things you'll want in *your* ultimate motor coach.

Specifications and features listed below are standard for all 1975 FMC Motor Coaches. Those listed in bold type are new features for 1975.
